Food Facility Registration

Registration Submitted - Verification Pending

A Reference Code has been assigned. The reference code is **422180798**.

NOTE: The reference code is not a food facility registration number.

In accordance with 21 CFR 1.231(a)(5) and (b)(7), FDA will not confirm a registration or provide a registration number until the person identified as the U.S. agent for a foreign facility confirms that person has agreed to serve as the U.S. agent. The U.S. agent that you have listed has been contacted and must respond to our confirmation request by 10/07/2024. Upon successful confirmation and an accurate UFI, the registration number and pin will be issued.

If no action is taken by 10/07/2024, the registration information will be removed from our database and a new registration submission will be required.
